#1 When wil lthese dam news sorties stop using stupid PUNS, Is the legislature smoking what they are , Relaxing with a little bit of weed , A one hundred dollar hit #2 i thought the whole starbucks comment was false, how can they keep saying it? Are there more despenceries than starbucks?The numbers speak for themselves 56% want it, so why is it not happening, that same 56% have the power to vote out all legislators that dont vote for this bill, right? So I hope they are telling them that.
